DOLLAR DAY TO BE INAUGURATED HERE

CAMERON WILL GET FOGGING SOON

Fogging Of City In The Near Future

The city will get a fogging within the next several days, according to L. W. Smith, chairman of the polio cleanup campaign.

Mr. Smith said the Chamber of Commerce has purchased a machine that has been attached to Water Department's pickup and is ready for the fogging job that will soon get underway. The ingredients and materials to be used in the fogging process have been ordered and upon their arrival, the city will get its first 1951 fogging.

Last year the merchantile and residential areas of the city were fogged with great success and now that the Chamber has purchased such a machine the city will probably get a fogging at regular intervals.

The ingredients to be used in fogging will consist of DDT, Chloradane and diesel oil as a base.

Authorities of the State Health Department at Austin said this type machine would work very successfully in the fogging process. It is called a fly and skeet machine and similar machines are used in several south Texas towns.

The machine cost only \$50.00 and will probably last for several seasons. The money collected by the VFW Auxiliary will be used to purchase the ingredients for fogging purposes.

Mrs. Billie McCoy chairman of collection committee said approximately \$125.00 had been collected but all of the women in charge of collections had not turned in their reports.

L. G. Smith, manager at the Chamber of Commerce said that everything was in order to make the fogging most effective and successful. He has collaborated with the many committees functioning in the cleanup drive and his services have been essential.

D. S. Wimberly, city sanitarian and Alderman August Kunz were in Seguin the early part of the week at a demonstration school where different fogging machines were utilized and also to learn of the effectiveness of the ingredients used in the fogging process.

The city will be fogged between midnight and 6 A. M., according to L. W. Smith as the streets will have to be clear of traffic to make the fogging more effective.

This machine will greatly aid in the sanitation problem in the city.

Ed Gunn, County Attorney attended the annual Homecoming at Pleasant Hill Sunday and reported a most enjoyable day.

Murder-Suicide Verdict Returned In Deaths of Mr., Mrs. R. A. Kitzler

A verdict of murder and suicide in connection with the deaths of Mr. and Mrs. R. A. Kitzler was returned today by Justice of the Peace Womack Bhashear.

Kitzler was alleged to have shot his invalid wife in the top of the head with a 22 caliber rifle and then placed the gun in his own mouth and pulled the trigger.

The twin killing was investigated by Sheriff Carl Black and Brashear after Kitzler's daughter, Annie Seaton had reported seeing her father on the floor of his home with all doors locked.

Funeral services were held at the Chapel of Marek-Burns Funeral home Sunday, July 8 at 2 p. m. with Rev. P. A. Corkern, officiating.

Interment in Oak Hill Cemetery with Marek-Burns directing arrangements.

Surviving are Mrs. Lonnie Seaton, Mrs. Kalenskey, Mrs. Selma Kalenskey, and Mrs. Oscar Neumeyer, Paul Kalenskey, Mrs. Mary Neumeyer and William Kitzler.

ANNUAL WATER REPORT IS GOOD

Dry Weather Stunts Cotton Production

Due to the dry hot weather and the lack of reserve moisture in the soil, upland cotton is taking a beating this week, reports J. D. Moore, Milam County Agent. Cotton on the heavier bottom land is holding up very well so far as moisture needs are concerned.

Boll weevil count this week on the Angell and Brown cotton farm in the Hanover Community was 44%. The count in the Edwin Fischer cotton at Buckholts was 31%, and the count in the P. Ward cotton in the Fuchs Community continues high at 40%.

Stink bugs are leaving the diminishing truck crops and invading adjoining cotton fields in search for tender plants. These farmers with insect build-up should apply immediate control measures. The County Agent favors dusting large cotton with heavy foliage over spraying for a more thorough application. If the square borer or boll worm appears, DDT should be added to the Toxaphene for worm control. Toxaphene or 3-5-40 dust at the rate of 15 pounds per acre or the Toxaphene or 2-1 spray mixture at the rate of 2 to 3 pounds per acre should give good results if applied at 5 day intervals until the insects are under control.

Walter Sharpe To Head Rotarians

Walter Sharpe, newly elected president of the Rotary Club was scheduled to take over officially as head of the organization on Wednesday, July 11.

Installation of officers were to be held at the noon luncheon. Other officers to include, secretary-treasurer, Richard Moseley and Bill Burns, outgoing president, as vice-president.

New directors are as follows: Rev. John C. Solomon, Dr. Clifford Swift, W. T. Hanes and Bill McIntosh.

Mr. Sharpe has been active in the work of the organization for a number of years. He has taken a leading role in the church and civic life of the community. Under his leadership the club will no doubt have a successful year.

Work For Yourself? Hold Social Security

If you work for yourself and are planning to include your name on the quarterly Social Security tax return you will file for your employees in July, don't. So says James B. Marley, Manager of the Austin Social Security office. Many businessmen who come under Social Security as self-employed are under the impression that they should report their net income quarterly in the same manner that their employees are reported. This assumption is incorrect. A self-employed individual comes under Social Security only if the net income from his business is \$400 or more per year.

In most cases, it is not possible to determine the amount of net income from a business until the end of the year, since profits in earlier months may be offset by losses occurring later. For that reason, the self-employed are required to report only once each year. This report will be made at the same time the annual income tax return is filed. A form for this purpose will be furnished by the Collector of Internal Revenue along with the income tax forms.

August Draft Calls Raised To 35,000

WASHINGTON, July 10—The Defense Department today increased its August draft call from 22,000 to 35,000 men—including 7,000 for the Marines—and said about 34,000 more will be called in September.

In the September call, about 28,000 men will go to the Army and about 6,000 to the Marine Corps. The Air Force still has not had to resort to the draft since it has been meeting its manpower needs through volunteers.

The Marine Corps explained it needs the draftees to make up a deficiency in its planned strength. The Corps had been shooting for 204,000 men as of June 30. Its actual strength at that time was estimated at nearer 196,000.

Meanwhile, it was revealed the 28th and 43rd National Guard Infantry Divisions have been alerted for movement to Europe this Fall to reinforce Gen. Dwight Eisenhower's new international defense force.

The two Guard divisions, first to be sent to Europe since the end of World War II, will fulfill the Administration's promise to send six U. S. Infantry divisions to meet the threat of possible Communist attack.

Funeral Services Conducted 5 P. M. Sunday In Batte Home

R. L. Batte, Sr., 87, died at the family residence at the "Sycamores," Friday, July 6 at 9 P. M.

Mr. Batte had been in declining health for the past eleven months and his condition was known to be serious for sometime. During his illness he had been a patient in a number of hospitals but found the peace and quietness of home surroundings better for the remaining days of his outstanding life and career.

He was widely known as a rancher, industrialist and land owner and held many thousands of acres in his name when death took him away from his family on Friday night.

News of his death came to a shocked city early Saturday. He was a native of Milam County, born one mile west of Cameron, October 9, 1863. He was the son of the late G. A. and Mary Ann Batte, natives of Virginia. His grandfather came to this country from England in the early part of the 19th century and was among the pioneer settlers of the State of Virginia.

Mr. Batte's father was one of the first postmasters of Cameron.

Mr. Batte knew his business well and was an outstanding and exceptional leader in the affairs of his community. As a young man he rode the ranges in Milam County when settlers in the county were very few, until the coming of the barbed wire fences in 1885 put an end to range riding. He was a moving spirit of the early pioneers and perhaps the oldest among the early settlers. His memory of outstanding events over the years was a rich source of historical information for newspaper writers.

As a young man he engaged in business and built a large industrial empire in Central Texas. He was one of the large planters in the bottom lands of Little River. In late years he acquired business property here and was widely known for his business connections. He was also a man of exceptional information, an incessant reader and was in inspiration to his fellows when he talked.

Mr. Batte's noble ability and determined character made him respected by all men. He was a lover of nature and was often seen early in the morning about his farms. He owned and operated the Cameron Cotton Oil Company for twenty four years which was purchased by the Southland Cotton Oil Mill in June 1950. He owned a number of other industries prev-

Six Men Will Leave For Army August 15

Six men from Milam County will be inducted into the armed forces on August 15, according to August G. Kunz, chairman of Milam County Draft Board No. 92.

This is the smallest call for men for induction from this county since the beginning of the war in Korea and is the 12th call since hostilities began in June 1950.

If peace talks materialized to a suitable truce among the UN delegates, the calls may be less in future months.

These men will leave Cameron on August 14 at 1:30 on the Central Texas Bus Line for Dallas Recruiting Station for processing and further assignments.

OLD SETTLERS REUNION

Ben Arnold old settler reunion will be held at the City Park in Cameron on Sunday, July 15.

Everyone is invited to come and bring a basket lunch. This reunion is held each year and is always a big attraction.

Mrs. A. J. Conner and children of Dickinson are guests in the home of Mr. and Mrs. Chas Matula and family here this week.

ious to ownership of the Cotton Oil Company.

Few men have enjoyed a better estimate than he. Friendly, always considerate, he was jovial with a personality that was sure evidence of a sunny heart.

Mr. Batte was a large cattle producer and at one time was the largest cattle feeder in the State of Texas. He was a heavy cattle buyer and was often seen at the leading auction sales over the state buying and selling. He kept abreast with the happenings of the day and was known never to shirk a responsibility or duty for his family, friends and community.

He was City Marshall for eight years and served as Deputy Sheriff for a number of years and was a prominent leader in the civic development of this county and promoted all of the progressive undertakings that were instrumental in its progress.

The Batte Family has been prominent in the history of the county for almost a century and when the history of their period is written, generations to come will honor them for their work and the example they set that others will likewise serve their day and generation.

Funeral services were to be held at the family residence at 5 P. M. Sunday, July 8 with Dr. Mark Magers, officiating. Interment in Oak Hill Cemetery, with Green Funeral Home directing arrangements.

Surviving are his widow, Mrs. Lelia McAnnally Batte, one son, R. L. Batte Jr., two daughters, Miss Mary Belle Batte and Mrs. Joe Hickman all of Cameron. He was preceded in death by one son, Dick Batte, three daughters, Ira Batte, Lelia Batte and Jessie Lee Harvey; two foster sons, Sgt. Clyde Batte and John Bryan. He is also survived by following grandchildren; John S. Batte, Mrs. Charles Smith Jr., Miss Abbie Reese Harvey, Lee Batte Harvey, Mrs. Patricia Tullis, R. L. Batte III, Mrs. Lelia Marie Bay, Dick Batte Jr., and Mrs. Abbie Shipp also preceded him in death.

The following great-grandchildren survive, Mrs. Griffin Burnett, Lee Shipp Jr., Donald Batte, Eldon Batte, Abbie Gayle Batte, Dorcas Ann Smith, Sandra Smith, John Tullis Jr. The following adopted and foster children survive, Edwin Day, Ernest Vogelsang Batte, Billie Bob Adam and Lee Lyles.

Water Department Revenue Increasing

The June report of the Cameron Water Department shows a net profit of almost \$3,000.00.

L. W. Smith, superintendent of the company, makes a monthly report to this newspaper so that the people of the city may know that the purchase of the water works is really paying off.

The city purchased the department a year ago, and during the twelve month period, the company's net revenue has amounted to \$26,922.47. It was estimated by some of the city officials, the department would net between \$25,000.00 and \$30,000.00 a year when it was purchased last year. After the bonds that were voted to purchase the company are retired, this additional income each year could be used to pay for the erection of municipal building that would house all the city offices, Chamber of Commerce, water departments, fire station and other city needs.

Water revenue for the month of June plus miscellaneous income, amounted to \$4,844.56. Expenses for the month include, plant operation, \$824.94; Maintenance and repair, \$76.78; office \$268.62; automobile expense, \$9.71; salaries, \$810.00 and swimming pool, \$16.50, making a total of \$2,006.96.

Expenses deducted from the gross revenue makes a net of \$2,837.60. Since there has been no relief from the dry hot weather, more water will be used during the next few months.

It is encouraging to note that net water revenue has been near the \$2,500 mark which is a good indication that the bonds will be retired per schedule.

Income from the municipal swimming pool for the past two months totaled \$669.35 with expenses amounting to \$428.20, making a net of \$241.15.

The needed improvements made at the pool has greatly aided in the sanitation problem that existed.

Last Rites Set For Thursday At 8 A.M.

Mrs. Agnes Barosh, 87, of Buckholts died at the family residence Tuesday afternoon July 11 at 3:15.

Mrs. Barosh was the member of a prominent family in that section of the county and had been ill for several months prior to her. She resided in that community for the past twenty seven years and was well known.

She was born in Europe March 2, 1864 and came to this country when a young girl, and had lived in Milam and Bell County most of her life. She was a member of the KJL Lodge.

Funeral services were to be held at the family residence at 8 A. M. Thursday, July 12, followed by final rites Church at Marak, with Rev. Ben Holub, Pastor, officiating. Rosary was said at the home at 8 P. M. Wednesday.

Interment in the Marak Cemetery with Marek-Burns directing the arrangements.

Surviving are seven daughters, Miss Theresa Barosh, Miss Stazie Barosh and Mrs. Mary Horelica of Buckholts, Mrs. Agnes Zimmerhanel of Canada, Texas, Mrs. Frank Kohutek of Buckholts, Mrs. Anna Faichtenger of Cameron and Mrs. Josie Krenek of Taylor. Two sisters survive, Mrs. Albinia Broz of Molton and Mrs. Johanna Meistechleger. She is also survived by 20 grandchildren and 26 great-grandchildren.

Mr. and Mrs. Elwood Kirk and Shirley and Mr. and Mrs. Howell Kirk and children of Austin are guests in the home of Mrs. Zelma LaCook for a few days.

Mrs. L. M. McKee is visiting relatives at Greenville this week.

Merchants Urged To Cooperate

A big attraction for Cameron and the surrounding areas will be inaugurated Monday August 6.

At a recent meeting of the Trades Development Committee of the Chamber of Commerce, it was unanimously voted by the committee that the first Monday of each month be set aside as the "First Monday Dollar Day."

In previous years first Monday has always been a leading trading day of each month and has been rather a tradition among the people of Cameron and the surrounding areas for such a purpose.

Merchants of the city will no doubt be jubilant over the problem before the committee as it will induce more commerce and trade for the immediate area.

The committee highly advocates this movement and realizes that it can be both beneficial and successful if the merchants of the city cooperate and take an active part and promote its objectives. There will be a variety of unusual bargains and values offered by the different stores each month and customers will realize considerable savings by patronizing the Dollar Day feature each month.

A number of merchants over the city have already indicated they intend to back the project 100 per cent, which will be vital toward its success and continuance.

Rural citizens will be glad to learn of the Big Value Day and interest and enthusiasm will no doubt be at a high level.

Members of the committee are as follows: W. L. McIntosh, Louis McKee, Narvie Caperton, Ben Reichert, B. F. Stewart, Johnny Andreas, L. G. Smith and Max McClaren. They plan to work with the merchants in every way to make the movement a big success.

General Mark Clark To Arrive At Fort Hood Thursday July 12

General Mark W. Clark, Chief of Army Field Forces, and former war time commander of the American Fifth Army and Liberator of Rome arrives at Fort Hood Thursday to begin an inspection of all training elements at this post.

General Clark became the Chief of Army Field Forces in 1949 and in this position is responsible for the training of all elements of the armies in the field.

Extension Of DPA Does Not Affect Livestock Slaughterers

The congressional 31 day extension of the Defense Production Act in no way affects livestock slaughter quotas set for July, Charles H. Winerich, Jr., director of the Houston District Office of Price Stabilization, has announced.

The quotas set for slaughterers for July will remain in effect, with the cattle quotas set at 90 per cent of the 1950 base and swine quotas set at 105 per cent of the 1950 base, the director said.

July quotas for calves, sheep and lamb were set at 85 per cent of the 1950 base, inclusive of armed forces requirements. Federally inspected slaughterers can increase their cattle and swine quotas by 15 per cent to meet military orders, it was explained.

Cease Fire Talk Begins Tuesday

(From the Daily)

SEOUL, Monday, July 9—Negotiations to set up the machinery for a Korean truce got off to a chilly start Sunday and the stage was set for the beginning of full dress cease-fire talks at Kaesong Tuesday.

Allied truce proposals were being whipped into final shape Sunday by the five-man truce team, which is scheduled to meet its Red counterpart at a once-lavish mansion in the ancient Korean city just south of the 38th parallel.

The U. N. negotiators, all of general rank, are headed by Vice Adm. C. Turner Joy, who has been dealing with Chinese military commanders off and on for 28 years.

Joy and the other negotiators three Americans and a South Korean, will meet at 10 a. m. Tuesday (6 p. m. Monday CST) with the Chinese and North Korean Red leaders.

One of the latter, Gen. Nam Il, was educated in Soviet Russia and served in the Russian army before becoming a high-ranking officer in the North Korean armed forces.

Groundwork for the historic conference was laid Sunday by three Allied colonels who were closeted for six and a half hours with three stony faced Communist officers of similar rank. No Allied correspondents were permitted to make the trip and the lone U. N. photographer was Army Signal Corpsman Norman Sweeney, who occasionally entered the conference room to take pictures.

Allied newsmen were promised equal representation with the Communists at the talks beginning Tuesday.

A communique from Gen. Matthew B. Ridgway's headquarters late Sunday night after the liaison meeting, a briefing by the senior negotiator and the stories of others in the party gave newsmen some of the "atmosphere" of the meeting.

However, details of what was discussed were a closely kept secret, and the communique failed to mention that unarmed members of the party were surrounded by armed guards and that Kaesong appeared to be definitely held by the Reds.

Second Class Awards Presented To Scouts Of Troop No. 83

A Court of Honor was held in the basement of First Presbyterian Church Monday night at 7:30.

The following boys from Troop No. 83 received their second class awards: Jeff Burkes, Emory Camp, Don Howard, Billy Knipp, Jimmy Markham, Clyde Wallace, and Bobby Witcher.

The presentation was made by Calvin Markham, Chairman of the Troop Committee.

Sgt. Dmytro Stefiuk Awarded Two Medals

Sgt. Dmytro Stefiuk, 505 East 23rd St. Cameron, has been awarded two medals for distinguished service in the Korean War.

Sgt. Stefiuk received the Bronze Star Medal for meritorious service in military operations on June 2, 1951. He also was awarded the Commendation Ribbon with Medal pendant for service from August 16 to November 2, 1950. He is a member of the 82nd Anti-aircraft Artillery Battalion of the Second division.

Prominent Citizen Of Rockdale Dies

J. T. Pruett, 71, prominent citizen of Rockdale, died at his home late Sunday night.

Mr. Pruett had been ill for sometime prior to his death but his condition was not known to be serious, however he suffered a heart attack recently. He is also well known in Cameron and has many friends who were shocked to learn of his death. He was a brother of Hinton H. Pruett, county superintendent of public schools in Milam County, and Mrs. I. N. West of Cameron.

He had engaged in farming and ranching the majority of his life and was a member of a prominent family in that section of the county.

Funeral services were to be held at the Chapel of Phillip and Luckey Funeral Home, Tuesday, June 10 at 5 P. M. with Rev. Ralph Powell pastor of the Rockdale Baptist Church, officiating.

Interment was to be made in Oak Lawn Cemetery in Rockdale.

S. S. Representative Will Be Here July 17

Employers have an added responsibility since summer vacations began. They will be hiring a lot of teenagers who have never before had Social Security cards. It is important that the employers see that their young employees have Social Security cards. Even though they are not of voting age, their wages count toward old age and survivors benefits.

The Austin office of the Social Security Administration will have a representative in Cameron on Tuesday, July 17. You can contact him at the Department of Public Welfare at 1:00 p. m.

Graveside Services For Infant Son

Graveside services for the infant son of Mr. and Mrs. Homer Conley were to be held at 5 P. M. Friday, July 6.

James D. Record, minister at the North Central Church of Christ, officiated. Interment was to be made in Oak Hill Cemetery.

Surviving are the parents, Mr. and Mrs. Homer Conley and three sisters, Margie, Betty and Beverly.

Judge M. G. Cox and son Joyce Cox of Houston are attending the Convention of the State Bar of Texas in Dallas. Headquarters are in the Adolphus Hotel. They plan to be home the later part of the week.

Grier Burnett of Marlow was a business visitor in the City Thursday and Friday.

Stanley Pratt has returned from Dallas after an extended visit.

TWO NEIGHBORS FIND WAY TO MAKE FRIENDSHIP BITTER-FREE

It may be a long way from the ranch to town, but here are two men who have found a common meeting ground; their preference for new Pilsenized Southern Select Beer.

"The friendly flavor of Southern Select never lets you down," says F. E. Grimes, electric shop owner of Mineral Wells. And B. B. Divers, rancher, of Mineral Wells, agrees. "For glass after glass, Southern Select keeps on tasting as satisfying as the first swallow," the men agree. "Pilsenizing has made it the one beer that's really dry and bitter-free all evening long." Why don't you and your friends spend a friendly evening with new Southern Select, soon?

Beat Friday 13th Jinks By Attending Mid-Night Show At Cameron

At 11:00 P. M. Friday 13th the crowd will gather at the Cameron Theatre to see a most interesting drama, telling a story of utmost novelty and timeliness.

"It's not the villain's face that scares the audience."

This is the statement of Lionel Atwill, who for many years has been seen in a series of villainous roles on the screen.

A quiet reserved Englishman when he is not before the cameras, Atwill's appearance quite belies any notion that he might be the proverbial wolf in sheep's clothing, ready at the drop of a hat to steal a man's wife or frighten his children.

"A 'heavy' character can best produce something akin to real fear in the minds of an audience if he maintains the appearance of an ordinary man, but builds up the feeling of menace by occasional slight suggestions of some mysterious or terrible purpose."

Mr. and Mrs. J. M. Snyder and children, Jacquelyn and Jay from Westchester, Penn. have arrived in Cameron to spend a vacation with Mrs. Snyder's parents, Mr. and Mrs. Wiley Mangum, Sr. Mrs. Snyder is the former Elizabeth Mangum and lived in Cameron when she was a child. The family expects Wiley Jr., home in August to spend his first leave since being in the service.

SOCIETY IN THE NEWS

Jo Ann Fleming Is Bride Of Keithel Douglas In Church Ceremony

Miss Jo Ann Fleming, daughter of Mrs. Vera Fleming of Cameron became the bride of Keithel Douglas, son of Mr. and Mrs. Leonard E. Douglas of Rosebud in a ceremony performed at the Church of Christ, east 1st street, at 8:00 p. m. Saturday evening, July 7.

H. L. Reed, Church of Christ minister of Houston read the double ring ceremony.

The bride was lovely in a white nylon embroidered street length dress fashioned with scalloped neckline and full gathered skirt. She wore a pink and white off the face hat and pink nylon gloves. Her corsage was white carnations.

Miss Hilda Douglas, sister of the groom was maid of honor and was dressed in a blue organdy street length dress with white accessories. Her corsage was also white carnations.

Gwenneth Fleming, brother of the bride was best man.

Mrs. Fleming, mother of the bride was dressed in a grey crepe dress and her accessories were white. She wore a pink carnation corsage.

Mrs. Douglas, mother of the groom chose a navy blue dress with navy accessories. Her corsage was a white carnation.

Following the wedding a reception was held at the home of Mr. and Mrs. W. O. Rinn at their attractive home on Yarrellton road. Mrs. Raymond Yountz presided at the brides book.

Marigolds in a flower bowl were arranged on the coffee table in the living room.

Mrs. Rinn carried out a color scheme of pink and white in the dining room decorations. The large table was covered with a Quaker lace cloth and held a lovely centerpiece of white Zenias in a crystal flower bowl on either side of the flower arrangement. The large three tiered wedding cake, iced in white and scattered with pink rosebuds, topped with miniature bride and groom was beautiful on a reflector at one end of the table. A crystal punch service was placed at the other end of the table. Small white napkins inscribed Jo Ann and Keithel were used. Dell Rinn lighted the candles in the dining room.

Miss Mary Ann Hicks of Chilton served lime punch and Miss Douglas served the wedding cake. Pink and white mints were also offered.

Out of town guests attending the wedding and reception were Mr. and Mrs. Walker H. Horn of Austin, Mr. and Mrs. H. L. Reed of Houston, Mr. and Mrs. J. G. Hill of Houston, Mr. and Mrs. Gliddeon Jones of Houston, Mr. and Mrs. Hollis Vasser of Rosebud, Oneta Boles of Cleburne, Max Wilson of West, Texas, Mr. and Mrs. Rodney McKilroy of Texas City, Mrs. Jim Clements, Mrs. F. F. Sneed, Mr. and Mrs. Dell Fuller, Miss Calissa Brasher, Mr. and Mrs. John Thomas La Cook, Mrs. A. B. McFarland, Mr. and Mrs. D. C. York and Mr. and Mrs. Raymond Yountz all of Cameron.

The bride is a graduate of Yoe High School and is Bookkeeper at the local First National Bank.

The groom is a graduate of Rosebud High School and is now employed by the Rosebud Telephone Company.

Mrs. Eunice Sheguit and sons are spending a few days with her parents, Mr. and Mrs. Cecil Porter at Caldwell this week.

Peggy Schiller Given A Lawn Party Recently

Peggy Schiller, 6 year old daughter of Mr. and Mrs. Milton Schiller celebrated her birthday with a lawn party at her parents home on June 29.

Thirty-two guests enjoyed the occasion. At the beginning of the party the children marched through a gate way made of streamers and registered at a table centered with a bowl of Zenias.

After an hour of games the honoree opened her gifts and passed them to be admired.

Mrs. Schiller was assisted in serving by mesdames Jack Higginbotham, Gene Blake, Woodrow Lowe, Gus Evans, Elliott Crook, Johnny Ethridge and Dwight Moody.

Popcicles and individual cup cakes topped with candles was served. Miniature plastic baskets filled with candy were used as plate favors.

Those attending the party were; Carol Ann Crook, Linda Ethridge, Pat Tittsworth, Susan Lowe, Jamie Schwarting, Pam Green, Ann and George Bowman, Linda Miller, Peggy O'Neil, Larry Schiller, Jolent Wied, Barbara Cheeves, Donna Kay Reed, Jo Ann Anderson, Cliff and Inez Evans, Marcia Schiller, Betty Kestenbaum, Kenneth Thompson, Kenny and Glenn Blake, Sandy and David Higginbotham, Josie and Frances Jackson, Nancy and Tom Moody, Larry Wright, Linda Haraway, and Linda and Nancy Schiller.

The Turner Family reunion was held in the home of Mr. and Mrs. Arvis Turner of Cameron on July 4.

A delicious dinner was prepared by members of the family and everyone enjoyed talking over old times and how things had changed in recent years.

The majority of the children were present for the occasion. Those attending are as follows: Mr. and Mrs. Tom Turner and daughter Sara Bankston of Rockdale, Mr. and Mrs. Arvis Turner Jr., of Angleton, Mr. and Mrs. Lester Turner, Mr. and Mrs. Thomas Turner of Austin, Bert Turner of Brady, Mr. and Mrs. R. R. Cosby of Schertz, Mrs. Dorine Amsdell of Austin, and A. D. Lagrone of Temple.

There were ten grandchildren and five great-grandchildren present.

Mrs. John Matyastik Entertains "42" Club At Her Home Recently

Mrs. John Matyastik entertained the "42" Leisure Club at her home in Clarkson June 28. Beautiful arrangements of Marigolds were used through out the home for decorations.

Visitors for the party were Mrs. E. H. Miller and Mrs. Anna Juergens both of Burlington and Mrs. Otto Schultz of Rosebud.

At the conclusion of the games it was disclosed that Mrs. W. W. Balhorn held high, Mrs. L. F. Slama second high and Mrs. August Kunz won the "84" prize.

Mrs. Matyastik was assisted by her daughter, Mildred in serving ice cream and cake squares. Plate favors were miniature parasols.

This was the last meeting for the season.

Dodson Family Hold Reunion Here

Approximately 90 relatives were present for the annual reunion of the Dodson family held at the City Park in honor of the deceased brothers, R. C. and S. E. T. Dodson.

A good time and a fine feast of basket food was enjoyed by the largest crowd assembling on this occasion, although sadness was manifested for the vacant places for Mr. and Mrs. J. M. Dodson, Sr., deceased since the last annual affair.

Everyone was especially happy to have George N. Dodson of Monohans and Mr. and Mrs. Grady E. Dodson and youngest son of Portland, Oregon to attend the reunion.

Mrs. S. S. Patton, sister of Mrs. Henry Reaves and daughter of the late S. E. T. Dodson is now the oldest relative of this reunion band.

Mrs. Addie Williams, Mrs. Nettie Cranford, Mrs. Francis Phipps and Mrs. Ruth Ward, daughters of the late, R. C. Dodson were present.

Bentley and Ervin Dodson and families were unable to be present for the occasion.

Bride-elect Honored With Party Recently

Miss Lorene Law, bride-elect of Lt. Don Carroll of San Angelo was honored with a party at the home of Mr. and Mrs. Albert Triggs, Jr., Thursday.

Gloria Triggs, daughter of Mr. and Mrs. Triggs, was hostess and invited a number of close friends of the bride elect. Canasta was used for a game diversion and Miss Margaret Horstmann won high score. She presented the prize to the honoree which was a piece of silver of her chosen pattern.

Yellow and white, the bride's colors, were used as the color scheme with bouquets of seasonal flowers throughout the home.

The hostess was assisted by her mother in serving a salad course.

Jolene Wied Honored With Birthday Party

Jolene Wied celebrated her fifth birthday, July 2 on the lawn, at the home of her parents, Mr. and Mrs. Edwin Wied, at 1304 West 1st St.

Thirty-one guests were present and enjoyed an afternoon of games and fun. Among the out of town guests were: Lynn McLaughlin of Houston, Margaret Frances Hargrove and Linda, Kenny and Nancy Hensel all of Rosebud.

Plate favors were pink and blue cone-shaped hats with number 5 on them. Suckers and balloons were also offered.

Chicken salad sandwiches, potato chips and cake was served with punch during the afternoon. The birthday cake was decorated in blue and white with five candles.

Mrs. Wied was assisted in serving by mesdames Joe O'Neill of Cameron and J. C. Hairgrove and E. C. Hensel both of Rosebud.

Jolene received many beautiful and useful gifts.

Court Continues To Pay Bounties; Rabid Scare Ceases

Approximately 225 bounties have been paid during the past three months on fox and wolf tails it was disclosed by Homer Nabours, County Clerk.

Since the outbreak of rabies in Milam and Burleson counties in the spring, there has been considerable concern over the bounty situation. The court after much study and at the request of the Farm Bureau placed a bounty of \$2.50 on fox tails and \$5.00 on wolf.

Mr. Nabours said citizens from the rural areas are still bringing in tails but activity has halted to a great extent since the rabies scare has ceased.

The volunteer vaccination program that was held during the month of April was fairly successful as some sections of the county cooperated fully while other areas did not take advantage of the program.

Mr. Nabours said if the court will leave the bounty in effect for a period of twelve months, a large number of abid animals in the county will be killed out.

Vacation Bible School Begins Monday Night First Christian Church

Thirty-seven pupils have enrolled in the Vacation Bible School at the First Christian Church.

The school got underway Monday evening July 9 at 7 P. M. and classes will be held daily this week from 7 to 8:15.

Mrs. Paul Campbell is director and a number of leaders and church workers are assisting in the school.

A laboratory training school is held from 8:30 to 10 each night. Twenty-five workers have enrolled in this class. The church has planned a strong program for the next few months. Rev. Tommie Bouchard is pastor.

Mr. and Mrs. Roy Leeman of Ft. Worth visited friends here last week and were guests of Ernest Rischar. Mrs. Leeman formerly made her home in Cameron and has many friends here who welcome her visits to her old home.

Col. Olin Brewster Lauds Local Unit

By LLOYD ALBERTSON

"Okay, sew 'em on."

That remark was heard more than once during armory drill on Monday evening among the enlisted men of Battery C, 649th Anti-aircraft Artillery Battalion. They were referring to the new stripes which went with a number of promotions that were announced by Capt. Rudolph Michalka the Battery Commander.

The ten promotions made were all to Private First Class. However, a half dozen or more promotions, ranging from Corporal to Sergeant First Class, will be made as son as orders are cut on them at 649th Battalion Headquarters in Temple.

The new Pfc's are Billy J. Baggerly, Willie R. Boecker, Edward R. Brantley, Bennie R. Juergens, Monroe J. Marek, James B. Richardson, Paul L. Sheguit, Alfred G. Vansa, Richard K. Wardlaw and Joe D. Zarosky, Jr.

Although the promotions were one result of good performances at summer camp, Battery C also received another one in a letter from Lt. Col. Olin F. Brewster, the 549th's Commanding Officer.

Writing under the subject, "Appreciation for a job well done," Col. Brewster said:

"It is with all sincerity that I want to thank each of you for making an all out effort to attend the camp and for the enthusiasm and spirit you displayed in your own individual positions and section."

He added: "I am sure that you all know by now that the 649th was the only Battalion in Division Artillery that got by without any unsatisfactory marks against them and were rated the highest battalion in Division Artillery and very close to the top in the Division. There was only one thing that kept us from the top. That one thing was our unit strength. We have one major goal to shoot for during this Armory year—that is full strength in each unit. You have proven that you can lick any task put before you. I know you can lick this one."

Capt. Michalka, when reading the letter to the Guardsmen, also commended them in their performance at summer camp.

M-Sgt. Clarke is a World War 2 veteran.

Large Crowd Attends Celebration

Over 2,000 people attended the July 4 celebration at Rockdale. This celebration is always a big event in this section of the state and as usual a number of outstanding political figures were present.

The usual big barbecue dinner was one of the main features of the day along with other entertainments.

Congressman W. R. Poage addressed the crowd and is always a welcomed guest in Milam County. He discussed the real meaning of July 4 and what it has meant to the nation as well as the struggle for the existence of democracy in parts of the world today.

Congressman Poage said that plans had not materialized as to the location of the aluminum plant that has created so much interest and enthusiasm in Milam County in recent weeks. He said that southern Milam County is still to be considered as a possible site for the location of the plant. People over the county are still optimistic over the matter and are still hopeful that it will be located somewhere in the county.

Louisiana, Ohio and a location somewhere in the northwest are being considered as a location site. The huge lignite fields in the southern part of the county will be a major factor in determining this county as the site for the plant.

FHA Offices Closed In Evenings July 9 Through 20

Beginning Monday, July 9 and through Friday, July 20 the FHA Office at Cameron will be open in the morning only. In the afternoon the office will be closed.

Miss Blakey will be on vacation during this time and the County Supervisor will be in the office each morning and will go to the field in the afternoon.

Wednesday, the regular office day, the office will be open all day. This will not effect Burleson County as the office there will be open on Thursdays as usual.

Miss Kay Camp has returned from Girl Scout Camp Tex-Lake at Spicewood, Texas.

John Hobson was in Cameron Friday on business. He is a prominent farmer of the Marlow Community.

Last Month's Total Largest This Year

Building permits in the city for the month of June totaled \$19,950.00, it was announced by W. H. Stafford, City Secretary.

Building has been on the increase in the city for the past five months and June's total is the largest for any one month during 1951. May permits totaled a little over \$12,000 while April was only \$6,500.

The majority of permits for July went for building of new homes. The First Christian Church has completed erection of a parsonage at a cost of \$8000.00. Hinton Pruett is rebuilding the Nat Wofford home on North Travis which he recently purchased.

Another construction underway is the erection of a suburban store of Arthur Longmire's on N. Washington Street. Dr. E. R. Zellmer is remodeling his home and other minor repairs make up the balance of the month's permits.

With permits continuing to increase, is a good indication that materials are still available.

Mrs. Gladys Pyeatt and daughter Frances Jean have returned to their home in Fort Worth after spending several days in the home of Mrs. S. W. McClaren Sr.

Improvements For U. S. Highway 77

Judge Dan Tyson has announced that the State Highway Department has advertised for bids for construction work on U. S. Highway 77 north of Cameron.

This construction will also include grading and topping and the widening of 28 culverts, beginning at the city limits running north 9.647 miles to Burlington.

The bids will be received on July 17 or 18, Judge Tyson said. The construction will link up with the improvements being made in Falls County on Highway 77.

Contract will be let as soon as all the necessary arrangements and details are taken care of before construction can begin.

Mr. and Mrs. Ladis Zavrel and daughter spent the past week end at Port Arthur.

Mr. and Mrs. Ed Sommers and son, Stanley Joe spent the week end in the home of Mr. and Mrs. I. Angell at Houston.

Mr. and Mrs. Bill Storey Jr. and family of Valentine spent several days in Cameron last week while on vacation.

Great Spiritual Film Coming Here

Final arrangements have been made for the showing here at the Milam Theatre, July 17-18 of "The Prince of Peace," new \$2,500,000 Hallmark Production, in Cinetone, that has been breaking attendance records everywhere.

This unusual, two-hour attraction is a complete unit in itself, according to Manager White. The breathtaking beauty of the Wichitas are the background for the powerful, moving story.

It is because "The Prince of Peace" is so tremendous in scope, so beautiful in color, so sweeping in grandeur and so human in its theme that it is breaking the box office records from coast to coast. Its glorious and thrilling musical score and strong sermon-on-film has caused clergyman of every faith and educators at all levels to call the film the most im-

portant motion picture ever to come out of Hollywood.

According to one critic the film makes its appearance at a time when the world needs it most. "There are people in Hell who could have been saved by this picture," he said.

"The Prince of Peace," is a movie for the entire family. Father and Mother will thrill to its majestic beauty while little brother and sister will delight in the new six-year-old child star, Ginger Prince, making her first screen appearance.

Mrs. Rosa Kemp Adams and sisters, Mrs. George Byrom of Houston have returned home after spending some time in the Kemp Home on main street.

Milam Melons Still Big Favorite

Eighty seven truck loads of water-melons have been shipped by the Jesse Kirk Jr., local commercial trucker.

The majority of the melons were shipped to out-of-state northern markets and all of the melons were raised in Milam County.

Mr. Kirk said he plans to buy and ship 75 more car loads of melons this season. The quality of the melons has been very good this season and supply and demand has been rather strong. He also raises large acreage of melons each year and known over the entire state as a large buyer and seller of top quality produce.

The melon season will probably come to end within the next ten days or two weeks. A number of other local producers in Milam County have been marketing their melons on the Dallas and Fort Worth Markets.

The Milam County melons have been very popular on the northern markets for years as the magic soil belt raises some of the best melons, both in taste and quality in the south.

During World War II there was a heavy demand for the Milam County Melons at a number of the major army camps over the nation and many of the local produce houses had government contracts each year to supply these camps with melons, Irish potatoes,

green corn and other produce.

This county continues to take its spotlight among central Texas counties.

LEARNS SECRET OF BEER PLEASURE

Emil Mueller, Sr. of Lockhart Discovers Why New Pilsenized Beer Tastes Better

Why are so many folks switching to today's great Southern Select? Because here at last is a beer that's really dry, and really bitter-free... with harsh after-taste removed by an exclusive process. In the words of Emil Mueller, Sr. of Lockhart, "I put a high value on beer-drinking pleasure. That's why I declare for new Pilsenized Southern Select every time. It never tires your taste—I find it truly bitter-free."

If you enjoy a really fine glass of beer... you'll like new "Pilsenized" Southern Select, too. Try it!

Adequate Storage Available Here

Milam County 1951 support price on grain sorghum has been set by the Commodity Credit Corporation at 2.35 per cwt, according to Alva E. Sanders PMA administrator for this county.

This price is for grain that grades U. S. No. 2 or better. It was estimated that around 20,000 acres of sorghum grain was planted this year and from all indications a favorable crop will be harvested. Harvest has already begun in some counties in the southern part of the state.

Several Milam county farmers will begin combining and harvesting grain within the next few weeks as the continued dry hot weather has made the grain mature rapidly however, some moisture is needed to mature some of the young grain.

Grain production in Milam County for the past three years has been a great deal less than in previous years, however, it is still considered one of the major sources of income for the county. Milam County has had as much as 100,000 acres in grain in one season. A large number of cattle raisers over the county grow large acreage of grains to feed out cattle for the northern markets which has been profitable in former years.

Cattle production along with "ole King Cotton," still remains in the top bracket of the county's annual income.

The support price on sorghum grain in 1950 was \$1.99 per cwt.

It has been reported that a number of counties in the western area of the state have gone in heavy for grain production.

Gillis Graham will operate The Cameron Grain Storage this year on similar basis of the 1950 crop. The large elevators and storage facilities have been utilized by a large number of Milam County farmers and also grain has been shipped in from other parts of the state.

Mr. Graham built this large grain storage construction last summer and has a storage capacity for 180,000 bushels. The building is 210 feet long and 40 feet wide and is modern in every respect. He has constructed 10 large grain bins with a capacity of 3,200 bushels each.

Grain storage facilities of this kind are vital to farmers in this area as they can store their grain and when the price advances, sell at a nice profit. The service fees at the bins are reasonable and farmers are always glad to use this method of handling their grain.

Thorndale Baptist To Be Host Church

The Milam County Baptist Workers Conference will be held at the Thorndale Baptist Church Friday, July 13, it was announced by Rev. P. A. Corkern.

Preparations are being made by host church for a good meeting and a number of members from First Baptist Church here plan to attend, Rev. Corkern said. At the last meeting in June, The First Baptist Church of Cameron was awarded the Attendance Banner and is making an all out effort to bring it home again next Friday.

The school has just concluded one of the most successful Vacation Bible Schools in the church's history and much has been accomplished in this important phase of church work.

Rev. Corkern wishes to express his deep appreciation to all who assisted in any way in making the Bible School successful.

The program for the Conference is as follows: 5:45 P. M. Board Meetings; 6:30 refreshments; 7:15, H. F. Schulz; 7:25, Devotional, Rev. Russell Lovell; 7:40 Testimonials from churches concerning the Invinibles and the V.B.S. Work; 8:00 The church's responsibility in selecting and electing officers, leaders, teachers, etc., Rev. Ralph Powell; 8:20 Announcements-Roll Call, and awarding banner; 8:30 Special Music, H. F. Schulz; 8:35, sermon, Rev. U. S. Lucky, pastor of Little River Baptist Church; 9:00 adjourn

Donations Coming In From Farmers For Labor Shed Project

Members of the Milam County Farm Bureau have raised \$425 to be used in the erection of a labor shed. It was hoped that plans would soon materialize and construction would get underway on the project.

Mrs. Jessie Mae Wimberly, secretary of the bureau said there was a great possibility that the \$500.00 the farm bureau agreed to raise would be available by Saturday, June 7th. Farmers have been very optimistic over the project and have indicated they are willing to cooperate for the immediate erection of the building. Cotton harvest will soon get underway and pickers will be needed greatly in this area.

Mrs. M. G. Cox Improves At Local Hospital

Mrs. M. G. Cox who has been a patient in the St Edward Hospital for several days is improving, according to Dr. T. E. Crump, attending physician.

Mrs. Cox will have to remain in the hospital for a few more days but will soon be able to be at her home on East 15th. Her many friends will be glad to know that she is making considerable progress and her condition is reported to be satisfactory. She is active in both religious and civic work of the community.

From where I sit... by Joe Marsh

Might Say The Birds Got "Nettled"

Had dinner with Tim Bradley the other day, and over a frosty bottle of beer I found out about his job with the U. S. Fish and Wildlife Service.

"Now just exactly what do you do?" I asked him. "Shoot birds with a cannon" he calmly replies.

Seems they actually do use a cannon—to shoot out a net over a flock of birds feeding on the ground. The birds start to take off at the sound of the shot, but the settling net brings them back to earth. Then they're banded around the leg so more can be

learned about their migratory habits. Afterwards, they're let loose—and everyone's happy.

From where I sit, it was a good example of how when you learn the real facts they're often not as bad as they may sound at first. Like with people. Get to really know your neighbor and chances are you'll be more tolerant of his preferences—even though they're not your own. Take a good look, before you jump to conclusions.

How to make Wise Tracks to a Beauty

How do you buy a new car?

Are you one of those people who buy on love at first sight?

Or do you check cars feature for feature, price for price—then pick the one that gives you the most for your money?

Whichever you are, we'd like to suggest that you come in and see our 1951 Buicks.

It's a sure bet you'll go for the swift, smart look of a SPECIAL, SUPER or ROADMASTER—fall seriously in love with the pace and power of its bonnet-filling engine.

And it's a cinch you'll go for the room and richness of those Buick interiors—the serene smoothness of Dynaflo Drive* and all-coil springing.

But don't let your emotion be the only

judge—get the practical picture too.

Note that the power that gives you such a big kick here comes from Buick's famed valve-in-head Fireball Engine—which means you get a lot of miles from each gallon of gas you buy.

Note that the silken ease you enjoy with Dynaflo* goes hand in hand with real money savings in maintenance costs.

Above all, note what a Buick's price tag includes—how much more sheer automobile you get in a Buick than the same money would buy elsewhere.

How about making tracks to our showroom right soon—checking thoroughly into the matter—and see if you don't fall in love with a smart-buy Buick?

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.
